REPORTS TO	Regional Manager
LOCATION	Project Districts
Posting Date	29/11/2024
Closing Date	10/12/2024
Project Period	Till November 2029

Background

World Health Partners (WHP) is a non-profit organization mandated to deliver holistic healthcare to underserved communities by innovatively leveraging available resources more efficiently. Evidence-based management and technological solutions that are sophisticated to work in extremely low-resource settings are the hallmarks of WHP’s programming strategy. WHP believes that it is unconscionable to divide resources on ideological basis—such as public and private sectors—since low resource settings mandate a focus on collectivizing all existing resources to achieve better outcomes.

WHP is best known for its programs focused on early detection and treatment of tuberculosis in urban and rural settings supported by community-based activities to ensure prevention. WHP currently operates its projects in Bihar, Jharkhand, Uttar Pradesh, Punjab, Haryana, Uttarakhand, Himachal Pradesh, Gujarat and Delhi.

About the project

Government of Bihar has signed MoU with ‘World Health Partners’ for universal care of TB patients in private sector as ‘Patient Provider Support Agency (PPSA) in nine districts of Bihar (Araria, Banka, Bhagalpur, Katihar, Madhepura, Purnia, Saharsa, Supaul, Kishanganj).

This project is designed to directly support the efforts of the Government of Bihar (GoB) AND the Government of India (GoI) for an effective and efficient TB program in the Private Sector. The PPSA approach to private sector engagement and notification is along four critical axis: facilitate early and accurate diagnosis, facilitate cases notification, ensure appropriate treatment, and ensure treatment completion

Scope of work and key responsibilities

Key Responsibility Areas (KRA) would include but not be restricted to the following:

1. Transportation of sputum samples from provider point/patient household/engaged labs to government lab for CBNAAT and also deliver the test report to respective provider.
2. Transportation of sample for HIV&DM test from engaged labs/provider point to designated lab for testing and also deliver the test report to respective provider.
3. Ensure availability of cold chain for transportation of samples.
4. Report daily activity on Commcare in prescribed format

Note: The principal responsibilities listed above are an illustrative list and not an exhaustive list. Additional responsibilities may be added from time to time depending on Project requirements.

Qualifications, Experience, and Skills

- Higher Secondary pass with at least 1 years of experience with similar project.
- Diligence, Sincerity, Integrity, and High Sense of Responsibility

Remuneration

A competitive salary commensurate with experience is offered. World Health Partners (WHP) is an employer which follows the principle of equal opportunity with regard to its hiring and promotion procedures. WHP does not discriminate on the basis of religion, race, class or gender and is committed to give everyone an equal chance.
