

POSITION	Community Coordinator (CE)
NUMBER OF POSITIONS	04 (Four)
REPORTS TO	District Lead CE
LOCATION	Uttar Pradesh
DISTRICTS	04 (one each at Azamgarh, Bahraich, Bareilly, and Gorakhpur)
Posting Date	October 20, 2024
Closing Date	October 25, 2024

Background

World Health Partners (WHP) is a non-profit organization mandated to deliver holistic healthcare to underserved communities by innovatively leveraging available resources more efficiently. Evidence-based management and technological solutions that are sophisticated to work in extremely low-resource settings are the hallmarks of WHP’s programming strategy. WHP believes that it is unconscionable to divide resources on ideological basis—such as public and private sectors—since low resource settings mandate a focus on collectivizing all existing resources to achieve better outcomes.

WHP is best known for its programs focused on early detection and treatment of tuberculosis in urban and rural settings supported by community-based activities to ensure prevention. WHP currently operates its projects in Bihar, Jharkhand, Uttar Pradesh, Punjab, Haryana, Uttarakhand, Himachal Pradesh, Gujarat and Delhi.

About the project

WHP has been selected as a Sub Recipient (SR) of Karnataka Health Promotion Trust (KHPT) for implementing the **IMPACT India project** supported by The Global Fund to Fight AIDS, Tuberculosis and Malaria (GFATM), for the grant cycle 2024-2027, for the TB grant in India. WHP will implement this project in selected districts of Delhi, Uttar Pradesh, Himachal Pradesh and Uttarakhand. The key project elements include TB Champion Engagement and TB Mukht Grama Panchayat activities. The project activities will be implemented in close collaboration with state and district NTEP, Panchayat Raj and Rural Development and other allied stakeholders.

The project's implementation geography in a state involves two primary interventions, TB Mukht Gram Panchayat (TBMGP) and TB Champion (TBC) Engagement, organized as a cluster of districts. In this structure, one district will host both interventions, while the remaining districts will solely focus on TBC Engagement. This encompasses one district with TB Mukht Gram Panchayat Activities and TBC Engagement activities.

Community coordinators will play a crucial role in the successful implementation of the TB Champion engagement component. TB Champions will be actively engaged with Ayushman Arogya Mandirs (AAM) in the designated districts under the IMPACT India initiative. The

Community Coordinator will oversee the implementation of TB Champion engagement activities in specific blocks or clusters of blocks, under the guidance and supervision of District Leads

Scope of work and key responsibilities

- A person with graduation in any discipline or higher secondary with minimum 3 years work experience in health-related field activities.
- Working experience in GFATM Projects
- Knowledge of grassroots TB initiatives is desirable.
- Ability to coordinate with Health.
